- Held a free bootcamp/encouragement for 20-30 women in the lower-income Oakview community in HB
- Began partnership with TEEN CHALLENGE (at no cost to them):
  - brought hope, joy, and love to the ladies at the women's recovery home in LA, through a workout, healthy meal, open/ vulnerable discussion and affirmation of these women's value and worth!
  - supported Teen Challenge by participating in their walk for recovery
- Participated in four events promoting siHi
- One new church launched siHi and were excited about the experience!
