## TESTIMONIALS

- *Restore helped me experience healing that I want to share with others. I felt seen and heard. -D, Survivor*
- *Our very first meeting provided me a huge breakthrough in my recovery! -N, Survivor*
- *I walked away from serving, CHANGED! -K, Volunteer*

## Dear Friends,

*Thank you for your continued encouragement and support in 2023.*

*It was wonderful to celebrate together with those of you who were able to attend our Thank You Dinner in December.*

*We pray your hearts were stirred as you heard our survivor, Ashley, share her story and her impact of going through our Restore program.*

*In 2023, along with our Restore program, we mentored survivors, held serve projects & continued our quarterly sifli Connects (previously called sifli meet-ups).*

*Operationally, a few board members stepped away from serving due to life changes and re-direction in callings. We are beyond thankful for their many years of service and support! Thank you Stacey and Selene!*

*My (Ericka) word for 2024 is courage. We are shifting to solely focus on supporting survivors (from street to healing). We will be doing monthly street outreach, community survivor support meetings, continuing our Restore program and providing serve opportunities.*

*God also opened the door for me to go back to school, so that I may further support survivors in their healing journey by becoming a licensed therapist.*

*Please keep our family and all survivors (future Thrivers!) in your prayers!*
